Kyle,

Would you please put on the agenda for council to approve a Community Development Committee as discussed last night.

I have not contacted these people to ask if they would serve, but my picks are:

2 councilmen/mayor

Mylo Wells and/or Jacki Amsted

Kelsi Sankot - CTE High school business teacher

Megan Hull - Public Health Director - Hospital

Along with myself.

The suggested amount is 7 people and I feel like that is plenty.
