Attached please find the revised Employee Handbook for the Council's consideration on Thursday evening. Here are the changes that were made:

1. Updated the effective date on the cover and pages 4 and 5.
2. Clarified the meal allowance on page 10 in the fourth paragraph.
3. Updated the social media, computer and bring your own device policies related to open records.

We have discussed an artificial intelligence policy which we may want to adopt outside the Employee Handbook. I will send a separate draft for your consideration before we submit to the Council for consideration.
