Public Comments

- Chris Ball, President of Main Street, strongly encouraged the Council to stabilize the Madison Street Buildings. Main Street is ready and willing to work with the Council to move forward with these buildings.

Motion by Garrett, second by Howard to approve a quote from Mid-Iowa Environmental to remove and dispose of the asbestos in 112-113 South Madison Street at a cost of \$19,250.00.

Motion carried.

Council discussed stabilization, rehabilitation or demolition of the buildings, but no decisions were made.

Mayor instructed staff that all information that is received regarding these buildings is to be distributed to all Council members for review. The purpose of this is not discussion, it is just information for the Council to think about.

Motion by Bohi, second by Garrett to adjourn at 6:48pm.

Motion carried.
