Citizen Questionnaire

City of Bloomfield, Iowa

The City of Bloomfield is developing a plan to improve the sanitary sewer system with the ultimate goal of lowering the amount of clean water being treated at the wastewater treatment plant and keeping operating costs as low as possible. As part of this effort, we are requesting that all residents and business owners complete the following questionnaire to help shape our approach as we plan future infrastructure improvements. This form should take 2-3 minutes to complete.

If you would prefer to fill out an online survey, please visit www.cityofbloomfield.org. If you have questions or would like to have further discussions about any issues, please contact Lauren O'Neil with HR Green at 319.841.4376 or lonel@hrgreen.com.
