Richard Wilcox  
Director of Public Works  
City of Bloomfield  
111 West Franklin Street  
Bloomfield, Iowa 52537

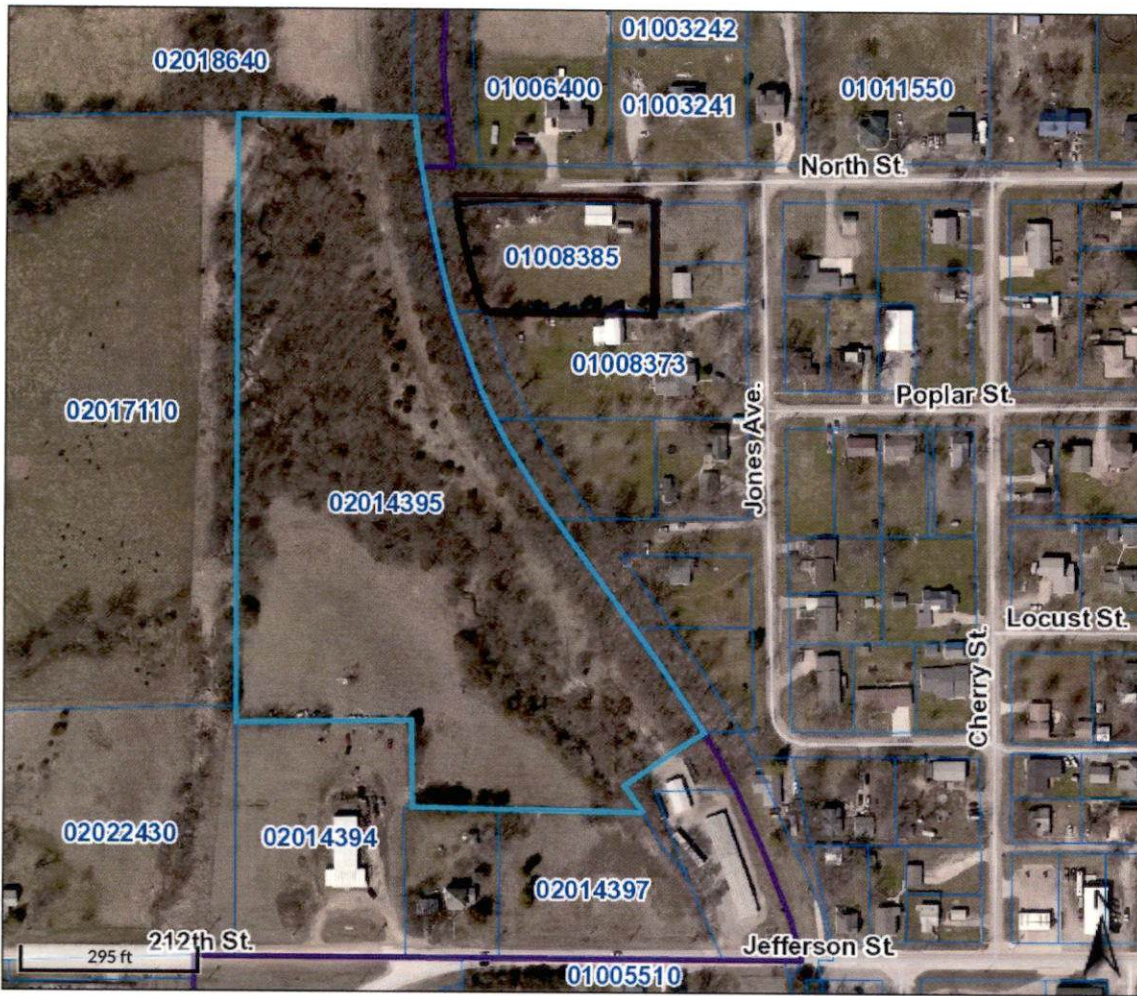

Dear Richard Wilcox:

I have recently purchased 11 acres of land in Davis county (Parcel ID- 02014395). On this land, a new sewer line was dug several years ago. Trees, brush, and dirt were piled during the construction and were not cleaned up. These piles have created an eyesore on the property. My goal is to improve the property through forestry management and native prairie establishment. I started to clean up the debris that the sewer construction left on the property but quickly learned this will be quite an undertaking and will require a great deal of time and money.

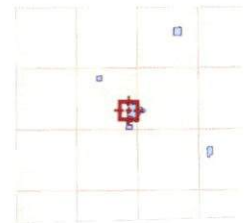

What I am asking is either my monthly sewer fee be waived, or the debris removed from my property at the city's expense.

Sincerely,

Rick English  
Landowner
