## 2021 STREET IMPROVEMENTS FOR BLOOMFIELD, IOWA

- HMA IMPROVEMENTS
- SEAL COAT IMPROVEMENTS
- HMA IMPROVEMENTS - URBAN RENEWAL

### UNCERTAINTIES CONCERNING UNDERGROUND CONDITIONS

Information concerning existing utilities was obtained primarily for design purposes. These data are known to be incomplete and in some instances they may be inaccurate. The Contractor shall regard these data as questionable until substantiated by his own investigations. In some instances, unexpected locations of utilities may require changes or modification of design.
