Hi Richard!

I apologize that my previous email didn't make it to you earlier today. I sometimes have trouble with our Contracting Specialists, Inc. emails going to spam boxes, so I am resending through my other one in hopes that it makes it to you.

The estimated cost to stripe the Bloomfield City Hall, around the square, and the hash out area would be \$4,950.00. This would include mobilization, labor, fuel, equipment, and materials to complete the pavement markings.

Please let me know if you have any questions as I am always happy to help.

Thank you for the opportunity to provide you with this estimate!

As a professional courtesy, please confirm receipt

Bobbi Jo Reed
