Richard,

H.M. Cragg is pleased to propose the following maintenance program for the City of Bloomfield.

Perform Minor PM inspection and one hour load bank test for each unit.

QT25 Minor PM inspection and Load Bank Testing \$547.00 ea. (PM \$130.00 LB \$417.00) QT130 and

QT150 Minor PM inspection and Load Bank Testing \$735.00 ea. (PM \$130.00 LB \$605.00) CAT

350NG Minor PM inspection and Load Bank Testing \$960.00 (PM \$130.00 LB \$830.00)

Please see attached PM checklist and service flyer for inspection details. A detailed report will be provided to the city after inspections are completed. We will identify any required or suggested repair or additional maintenance items at that time. This work will be quoted as needed.

Thank You,  
Jason Huntley
