Dear Bloomfield City Council:

A few weeks ago, it was discovered that the concrete sidewalk on the north side of the Open Bible Church at 206 E Chestnut St. has been compromised by the serious erosion underneath several of the concrete slabs.

Even though it is seldom used, it is a concern to us, thus we are requesting that the sidewalk be removed for safety concerns and not be replaced.

If possible, we are willing and capable of the removal.

Thank you for your consideration on this matter. Please inform us as soon as possible if we may take action.

Sincerely,

*Pastor Courtney*
