Subject: Progress Report – Pay Application No. 14

Date: October 11, 2021

Woodruff Construction submitted Pay Application No. 14 in the amount of \$3,911.19 for work completed in September. The total balance remaining after Pay Applications 1 through 14 is \$353,266.12 (retainage). HR Green has approved Pay Application No. 14 and recommends that the City approve the application at the upcoming council meeting.

Pay Application No. 14 includes all remaining work at the wastewater treatment plant with the balance of the outstanding balance being retainage. There are some outstanding warranty items that are being addressed by the contractor and some submittals and record drawings that need to be submitted prior to release of the retainage.
