City Clerk,

Our D.C. Historical Society came into being in 1961 when our local historians decided that Davis County history needed to be available to the community and visitors. The complex has increased to include the Findley House, One Room School, Mormon Cabin, Livery Barn and the Savannah Christian Church. This complex serves to educate and entertain our local community, school children, families and tourists. Without our history and the knowledge gained from it, where would we be?

To keep our complex alive, we are asking for your assistance for the \$2,000 utility bill that is in arrears.

Thank you for considering our organization for this assistance.

Sincerely,

Cherri Casteel, Treas.
