I have attached the list of people that I would like to see be hired for the 2022 pool season.

I sent this list over to Josh yesterday and he responded that the list looked good and that he wouldn't be at the meeting Thursday because of track.

I also spoke with Jodi about these people and she doesn't see any issues with any of them as well and is on board for hiring who is listed.

If there's anything else I need to do before the meeting, please let me know!
