Dear Bloomfield City Council Members,

Our Community Senior Citizen Center continues to offer a wide variety of services to the citizens of the county. Such as promoting wellness, community involvement, personal growth and dignity. We provide programs such as Nutritious meal, Home Del. meals, transportation, physical exercises, health services such as blood pressure screenings from Davis County Hospital, The Fresh Conversation nutrition program, weekly articles in our county newspaper, bingo, word puzzles and several different card games.

Your interest, assistance and support are always appreciated. As you are aware one service provided is safe harbor for citizen during extreme weather conditions.

Your action to allocate funds to offset utility costs is needed. Our request of \$1,800.00 credit would be appreciated. Thank you for your time.

Sincerely,

The Davis County Advisory Council on Aging
